

Activity 1.2

The answer to this activity is specific to the context of the organisation that has been selected. Look at the issues raised in the section when answering this activity. Below is a suggestion for capturing information on the answer:

| Department | Procurement processes that interrelate with the department | Nature of the processes (routine/strategic) | Who and number of people in the Procurement function involved |
|-------------------|---|--|--|
| Finance | | | |
| Operations | | | |
| ...etc | | | |
