

Self-test 2.1

There is no one perfect organisational structure for Procurement. No matter where the Procurement function is situated on the organisation chart, the standard statement of the objectives of the function is that it should obtain the RIGHT materials, in the RIGHT quantity, for delivery at the RIGHT time and RIGHT place, from the RIGHT source, with the RIGHT service and at the RIGHT price in the long and short term.

What do you understand from the statement? Elaborate.

Self-test 2.2

What can be done to raise the profile of the Procurement function?
